

And They Who Do Justice

Psalm 15

Refrain: And they who do justice
will live in the presence of the Lord our God. 2x

O Lord now tell us who in time within your tent shall be,
and dwell upon the mountaintop your holy place to see?
“The one whose walk is blameless, whose deeds are justly done;
whose heart is true in thought and who knows not a slanderous tongue.
And they who live in just this way and heed my holy word
will never be disturbed.” **Refrain**

O Lord now tell us who in time within your tent shall be,
and dwell upon the mountaintop your holy place to see?
“The one who brings no hurt or harm to others they may meet,
does not reproach a neighbor, but seeks the way of peace.
And they who live in just this way and heed my holy word
will never be disturbed.” **Refrain**

O Lord now tell us who in time within your tent shall be,
And dwell upon the mountaintop your holy place to see?
“The one whose money is not lent to bring another loss,
and who against the innocent cannot be bribed or bought.
And they who live in just this way and heed my holy word
will never be disturbed.” **Refrain**
