

# The Earth Is Full of the Goodness of the Lord

Psalm 33

**Refrain:** The earth is full of the goodness of the Lord,  
the goodness of the Lord.

So upright is the word of God; his workings are trustworthy.  
And He loves what is right and just; his kindness on earth we see.  
And then by his holy word the heavens above were laid.  
While all of the mighty hosts by the breath of his mouth were made.

And He gathers the waters up; the oceans as in a flask.  
In the cellars confines the deep, so wondrous the mighty task.  
The nations of whom God is Lord; so blessed shall they be.  
For the peoples he's chosen will his inheritance one day see.

From the heavens the Lord looks down: all of people kind He can see.  
From the heavens the Lord looks down and watches humanity.  
Our souls wait upon the Lord; our help and our shield is He.  
All of us who hope in the Lord, his kindness shall ever see
