

We Pledge Allegiance

We pledge allegiance to the flag of the people of this land
and for the ideals for which it stands. We pledge allegiance.

We pledge allegiance to those who live bravely in harm's way
insuring our freedom day to day. We pledge allegiance.

We pledge allegiance to people who daily do their part
to care for the poor and meek of heart. We pledge allegiance.

We pledge allegiance to those who confront the urgent need
of those who from sickness would be freed. We pledge allegiance.

We pledge allegiance to teachers who share the legacy
of God and the world of all we see. We pledge allegiance.

We pledge allegiance to the flag of these United States,
one nation standing under God united by his grace.

We pledge allegiance to one who brought heaven down to earth
that we might enjoy a second birth. We pledge allegiance.

We pledge allegiance to the church, God's kingdom on earth to be
that it might grow and reach the souls still yearning to be free.

We pledge, O Lord, to you this day our lives our love our trust.
O help us to be worthy, Lord, of all You've given us.

We pledge allegiance to God as the Father and the Son
to God as the Spirit three in One. We pledge allegiance.

We pledge allegiance!
