

Lord, With You there's Mercy

Psalm 130

Refrain: Lord, with You there's mercy. We are fully saved.
Bought us our redemption with the life You gave.

From the depths of my despair I cry to You, O Lord.
Hear my prayers for help now I implore you.
If You, O Lord, did keep a record of our sins,
none could ever stand redeemed before You.
You are the great forgiver and giver of our life. **Refrain**

Eagerly, O Lord, I am waiting for your help.
My trusting in your word will never cease.
As the watchman searches for the morning light,
So I am waiting for the moment of your peace.
Come into my life and set me free. **Refrain**

Israel, O Lord, did place its trust in You.
And you kept her safe beneath your wing.
Give our nation, Lord, the grace to trust you too,
that we might know You as our Savior and King.
You are the Way, the Truth and the Light. **Refrain**
