

Do Not Forget the Workings of the Lord

Psalm 78

Refrain: Do not forget the workings of the Lord. 2x

Listen people to my teaching
in parables reaching
the ears of all with mysteries of old. **Refrain**

While God slew them they still sought Him
and never forgot Him.
God was their redeemer and their rock. **Refrain**

While with flattery they plied Him,
the truth they denied Him
and turned away and broke his covenant. **Refrain**

But the Lord our God forgave them
and set out to save them
and did not let his anger be aroused. **Refrain**
