

Giving Thanks to You

By Arlett White

Refrain: Giving thanks to You is all I want to do.

God, your beauty wakes me up each day.

As You caress me with your love

I have a fresh hope from above.

Giving thanks to You is all I want to do. 2x

Thank you for your mercy. Thank You for your love.

Thank You for your grace flowing down from above.

Thank you for your joy. Thank you for compassion.

Thank You for forgiveness through Jesus, your only Son.

Refrain 2x

Thank You for the Son of God, Jesus who died for my sins.

Because of the blood He shed I am forgiven.

I thank You for your provisions in a dark and dreary land.

I thank You for direction. I thank You for protection.

Because of who You are, I know your word will stand.

Giving thanks to You is all I want to do.

Refrain 2x

Giving thanks to You. Giving thanks to You.

Giving thanks to You. I'm giving thanks to You.

That's all I want to do is giving thanks to You.

Giving thanks to You, that's all I want to do.

I'm giving thanks to You. That's all I want to do.

I'm giving thanks to You. That's all I want.
