

My Heavenly Father

By Arlett White

My Heavenly Father, O how I love You.
My Heavenly Father, I place no one above You,
my Heavenly Father, my Ruler and King.

Cleanse this heart. Make it useful to usher in your love.
Take these hands. Make them sturdy
to hold You in your mighty expanse.
Move my feet before You in a precious holy dance.
My Heavenly Father, O how I love You.
My Heavenly Father, I place no one above You,
my Heavenly Father, my Ruler and King.

Your love is so great You sent Jesus to show me the way.
Your power so mighty it literally takes my breath away.
My spirit is humbled before You. There is no other way.
Heavenly Father. I Love You.
My Heavenly Father, How I adore You,
my Heavenly Father, my Ruler and King.

Thank You for your love, love, love. 2x

You place before me open doors that no one can close.
O God, rich in mercy and love that's purer than molten gold
My only desire is to be found doing your will.
Heavenly Father. I Love You.
My Heavenly Father, how I adore You,
my Heavenly Father, my Ruler and King.
Heavenly Father. I Love You.
My Heavenly Father, How I adore You,
Heavenly Father, my Ruler and King.

Thank You for your love, love, love. 4X
