

Blessed Jesus Take Me In

Blessed Jesus take me in. Make your Father's will my own.

Give me peace and strength, I pray, to carry on.

You have sacrificed yourself. You have given me new life.

Now all the world can see your precious light in me.

Refrain: Use my lips. Use my hands. Use everything I am.

Let me always tell your glory.

Use my praise. Use my song, every day I carry on.

Let me always give you glory.

Blessed Jesus take me in. Make your Father's will my own.

Give me peace and strength, I pray, to carry on.

You have filled my heart with love. You have given me new hope.

Now all the world can see your precious light in me. **Refrain**

Blessed Jesus take me in. Make your Father's will my own.

Let me be the faithful one to carry on... to carry on.
