

Needs

It's time. It's time for me to go.
But there's one thing I think you should know,
and see and show. Take my hand, understand.
Love someone, really love someone.

Feelings, they often will subside,
but please don't run and hide,
Don't leave. Don't go. Don't say, "no."
Take my hand, understand,
if only for the moment,
if only for the moment.

Why am I so Lonely?
Why am I all by myself without a friend?
Without a chance to mend?
Lord, help me see when it's only me
I gotta give, so see all my needs,
all my needs.
"Take my hand try to understand.
You'll see. You'll see."
