

Don't Give Up On your Children

By Arlett White

Refrain: Don't give up on your children.

Keep them covered in prayer.

Wrap them in God's loving arms.

He is always there.

When it seems that there is no hope,
another headache you can't bear.

God provides a blanket of protection.

He sees. He knows. He cares. **2x**

And it doesn't matter where they have traveled,
or how far they may have gone.

Jesus sends the Holy Spirit

to guide them safely home. Oh... **Refrain 1x**

If you find yourself unsure about exactly what to do,
it's during those darkest hours that He will comfort you.
You no longer have to worry because Jesus really cares.
Just have a talk with Jesus. He is always there.

And it doesn't matter where they have traveled,
or how far they may have gone.

Jesus sends the Holy Spirit

to guide them safely home. Oh... **Refrain 1x**

Sometimes you wonder. You know they have grown
and they're out there on their own.

Jesus whispers in their ear, "My child, I love you.

Come on in from the storms of life.

Come on in and be at home." Oh... **Refrain 2x**
