

Easier Said Than Done

Mark 10:35-45 Romans 7:15

Another day before us, some moments to be scored.
Another chance to win a couple points for the Lord.
Another opportunity to do a few things right,
and make ourselves more pleasing
in the Father's sight.

Refrain: But it's easier said than done.
Without God to help us there isn't anyone
who can hold up their end of the bargain, my friend.
It's easier said than done.

Love your neighbor as yourself and let this be your creed.
Give your worldly goods away and help someone in need
For all of us know very well just where our treasures stored.
Leave everything you have behind
and walk behind the Lord. **Refrain**

And we can make decisions, resolutions and resolve
to wrap the world around us and really get involved,
to put a little time aside for the people that we love
and maybe even take the time to talk to God above. **Refrain**

Lord, at times our faith gets weakened by our worldly views
and sometimes we forget to walk in other people's shoes.
Sometimes we forget to see the needs outside our own.
We know that we must do what's right, but we can't do it alone.

Refrain: Cause it's easier said than done.
Without God to help us there isn't anyone
who can hold up their end of the bargain, my friend.
It's easier said than done.
