

# For You Have Rescued Us

Psalm 30

**Refrain:** We will praise You, Lord, for You have rescued us  
You rescued us. 2x

We will praise You, Lord, for You rescued us.  
Did not let our enemies overthrow.  
Lord, You brought us up from the Neather World,  
saved us from among those who'd fallen low. **Refrain**

Sing praise to the Lord, you the faithful ones.  
Give thanks all you lands, praise God's Holy Name.  
God's anger is short with compassion long.  
We who enter sad will rejoice at dawn. **Refrain**

Hear our prayer, O Lord, and your mercy lend.  
Be our helper strong, comfort from above.  
You have lifted us from our mournful state.  
Dancing now we thank You for all your love. **Refrain**
