

# God Is Our Strength

Psalm 91

God is our strength! God is our Strength!  
When He is here we persevere.  
God is our Strength! 2x

I've seen my share of troubles.  
I've suffered my defeats.  
But when the Lord is by my side  
the victory is sweet!

God is our strength! God is our Strength!  
When He is here we persevere.  
God is our Strength!

And should your world come crashing down  
upon Him you can call.  
He'll lift you up on eagle's wings  
and catch you should you fall.

God is our strength! God is our Strength!  
When He is here we persevere.  
God is our Strength! 2x

So have no fear, the Lord is near.  
God is our Strength!
