

He'll Never Leave

Well, I've been through a lot of trouble and it doesn't seem so right.

But I know with him here beside me, the future still seems bright.

And I know at times life is painful and you want it all to end.

You just call upon the name of the Lord.

On him you can depend.

And I know He'll never leave me. In his promise I am secure.

And his word is to be trusted and I know his promise is sure.

Yes, I know. Yes, I know

Now Jesus is ready and willing to come into your heart and live.

Just ask him to forgive all your sins and eternal life He will give.

And I know at times life is painful and you want it all to end.

You just call upon the name of the Lord.

On him you can depend.

And I know He'll never leave me. In his promise I am secure.

And his word is to be trusted and I know his promise is sure.

Yes, I know. Yes, I know
