

If You Don't Call Me

Philippians 3:14

There's lots of times throughout day
when I forget to stop and say
a word or two to God.

But if it starts to get too long
since last I talked to God his song
will interrupt me.

Lord, I hear You when You say,

Refrain: "If you don't call me I'll call you!

Whatever you have found to do,
you'll have to drop, you'll have to stop.
and listen to my call.

If you don't call me I'll call you!

And when the sound should hit your mind
just turn around and you will find me
standin' in the hall!"

There's lots of times throughout my life

I get all caught up in the strife
and I forget to pray

I try to make it on my own
and when I think I'm all alone
the Lord drops in to say... **Refrain**

As things go wrong and things go right
we move along, we might lose sight
of what it's all about.

We wander hungering in a daze.

We don't give thanks. We don't give praise.

That's when the Lord'll shout,
"I'm here to help you out!" **Refrain**
