

It's So Amazin,' Amazing Grace

Well it's so amazin' amazing grace,
it gives me cause to wonder,
when I think of God being every place
in the sky and in the thunder,
in the gift of you and the gift of me,
as awesome as we seem to be
we're lost at the cost of eternity
but for amazin' grace.

Well, we are here and we did appear
with no say in the matter.
We drew our lot for the life we got,
a full or empty platter.
And who we are we have come to be
in spite of reward or injury,
we would not stand tall or even at all
but for amazin' grace.

Amazing grace how sweet the sound
that saved a wretch like me.
I once were lost but now am found,
was blind but now I see.

There are no people beyond God's reach.
His purpose does not waiver.
Both saint and sinner he's come to teach
and each will know his favor.
It was no good turn that let us earn
salvation, thus may we learn
to thank the Lord with one accord
for his amazing grace.
