

Lord, On the Day We Called for Help

Psalm 138

Refrain: Lord, on the day we called for help
You answered us. 2x

We will give thanks to You, Lord, with all of our hearts.
Before the hosts of heaven your praises we will sing.
We'll worship at your temple tall as we recall,
your name, our Lord and King. **Refrain**

In light of your great kindness and because of your great truth
Your covenant and promise is ever sure and true.
And when we called You answered us In You we trust
to keep us strong in You. **Refrain**

You, Lord, shall be exulted. This the humble people know.
The proud ones and the mighty, Lord, from afar You see.
When we are lost and losing faith, You keep us safe
From all our enemies. **Refrain**

Lord, by your hand You save us, and your right hand keeps us strong.
And all will be completed, the things You undertake.
The wondrous works that You have Done, your chosen ones
You never will forsake. **Refrain**
