

# Lord, Our Eyes Are Fixed on You

Psalm 123

**Refrain:** Lord Our Eyes are fixed on You  
pleading for Your Mercy.

Lord, Our Eyes are fixed on You  
trusting in your love.

Lord, to You our eyes we raise  
sending to your throne our praise,  
as a servant understands  
watching well his masters hands.

As a maid her mistress keeps  
when awake or as she sleeps,  
so we wait upon our King,  
for the mercy He will bring.

With compassion see our fate  
for we've had our fill of hate  
and the taunts so long and loud  
of the arrogant and proud.

Lord we lift our eyes to You  
pleading for your mercy true.  
Lord we lift our eyes to You  
ever trusting in your love.
