

# Mary Has Come Home

The Assumption

**Refrain:** Up in heaven they're singin' today.  
Jesus, your mother is comin' home to stay.  
Tell all the angels to make her at home.  
Good Saint Joseph is buildin' her throne,  
is buildin' her a throne.

Jesus so happy to see her sweet face  
and give his mother a loving embrace.  
Mary, you know well what God's love has done,  
how much He must love us to send us his Son.

## Refrain

All the stars are tumblin' 'round.  
God is making his queen a crown.  
Woman of our earth, O now we have seen  
how much God must love us  
to make you our queen.

All God's children are singin' today.  
Jesus, your mother is comin' home to stay.  
Mighty archangels are guarding her throne.  
Gonna make the message known,  
Queen Mary has come home.
