

# MYSTERY

Mystery in the gift of bread,  
Mystery in the wine.  
Mystery in the gift of grace.  
Mystery in the sign.

So do we share our daily bread,  
giving as we receive.  
So do we share the mystery  
with all who would believe.

Make us a worthy instrument  
spreading your love on earth.  
As we become your sacrament  
so we receive new birth.

People of God you are the mystery,  
living in love that all the world might see  
glory and tell the story  
of He who left us this loving legacy.

Those who hunger shall be filled,  
by the Spirit fed.  
Thirsty souls are nourished  
by the wine and bread.
