

Nine Out of Ten

Luke 17:11-19

We are grateful, Lord, though
we may not always say it
For the things You do
the whole day through
just to help us on our way.
And the debt we owed
was so great we could not pay it.
Now, thanks to You, our sins are put away.

Refrain: Nine out of ten times, Lord,
we take what we've been given,
continue on our way
without a backward glance.
Nine out of then times, Lord,
we're caught up in the living day to day.
We forget to tell You, "Thank You, Lord."

Of the lepers ten
whose healings were completed
only one of them
returned to again
to give thanks to the Lord.
And He asked, "Were not the ills of
all the others treated?
Now go your way.
Your faith has made you whole". **Refrain**
