

Peace Giver

John 14:27

Peace Giver, Son most Godly,
by your healing make us whole.

Fill our senses
with your wisdom.
Bind us body, mind, and soul.

Peace Giver, hold our families.
By your healing make them whole.

Help us every hour
by your quiet power
to perceive the greater goal.

Peace Giver, Guide our nation.
By your healing make it whole.

May your kingdom be
what we learn to see,
working under its control.

Peace Giver, Hold this planet.
By your healing make it whole.

May we come to see
its diversity
resting on a common goal.

Peace Giver, in your image
may we ever strive to be,
until by your grace
we might know your face
in the people that we see.

Peace Giver, Son most Godly,
by your healing make us whole.

Fill our senses
with your wisdom.

Bind us body, mind, and soul.
