

# People Sing Praises

Exodus 15

**Refrain:** People sing praises to the Lord Your God.  
He has covered himself in glory. 2x

We will sing to the Lord so glorious.  
Triumphant He goes before us.  
See the forces of horses and chariots  
cast into the sea, cast into the sea. **Refrain**

Our warrior and God, we praise You.  
And Lord is your name.  
The army of Pharaoh's soldiers were  
cast into the sea, cast into the sea. **Refrain**

And under the swirling waters  
they sank like a stone.  
By your right hand the horses and chariots  
sank into the sea, sank into the sea. **Refrain**

The Lord has redeemed and delivered us  
to the mountain of our inheritance.  
With the Lord we will sit in glory  
forevermore to be, evermore to be. **Refrain**
