

# Show Us, Lord, Your Kindness I

Psalm 85

**Refrain:** Show us, Lord, your kindness  
and grant us your salvation now we pray, we pray.

We will hear You, Lord, and You will release to us  
your word of peace to us. Salvation is at hand.  
Near to us indeed, so shall your salvation be  
your glory we shall see dwelling in our land. **Refrain**

Truth and kindness meet. So shall peace and justice kiss  
and through the great abyss the truth from earth shall spring.  
And as flowing truth gently from its sleep is stirred  
so shall justice like a bird from heaven will take wing. **Refrain**

God will smile on us, reaching with a mighty hand  
all across the barren land God's harvest will increase.  
And before the Lord justice great will walk and bless  
those who are longing for its rest, and God will give us peace. **Refrain**
