

Show Us, Lord, Your Kindness II

Psalm 85

Refrain: Show us, Lord, your kindness
and grant us your salvation. 2X

And I will listen to what God proclaims
for he proclaims the truth. What He proclaims is peace.
And his salvation comes to those who reverence Him
and glory dwells within his people's land. **Refrain**

Kindness and truth shall meet, together meet,
and peace and justice kiss, and peace and justice kiss.
And from the bowels of earth the font of life will spring
and justice shall look down on us from heaven. **Refrain**

The Lord Himself will give his benefits
until the land will yield a harvest rich and full.
And justice too shall walk before Him as He comes
preparing well the path He walks upon. **Refrain**
