

Sing to the Lord, He's Covered Himself

Exodus 15

Refrain: Sing to the Lord! He's covered Himself with glory He's covered Himself.
Sing to the Lord! He's covered Himself with glory. He's covered Himself.
Sing to the Lord!

Sing to the Lord. Triumphant now is He.
Horse and chariot He has casts into the sea
Our strength and courage is found in the Lord Most High.
And He has been, He's been our Savior
He is our God, we praise our Savior
We will extol Him, the God our Father on High. **Refrain**

The Lord is He, He is a warrior.
The Lord his name, Mighty Warrior.
Pharaoh's army and officers drowned in the sea.
Flood waters rose, it rose and covered them.
And like a stone they sank. It covered them.
By your right hand, Lord, You shattered the enemy. **Refrain**

And You redeem. You bought and planted
on the great mount of your inheritance.
This is where You made a seat, O Lord our God.
The sanctuary You established
with your own hands it was established.
The Lord shall reign, shall reign forevermore. **Refrain**
