

The Lord Is Our Light And Our Salvation I

Psalm 27

Men: The Lord is our light and our salvation. (repeat)

Ladies I: Salvation every nation tells of the glory of the Lord.
Salvation, every nation sings of the Lord of Light. (repeat)

Ladies II: The Lord our God will be our light,
Our salvation ever near.
Our refuge from the storms of life.
There is no one we shall fear.

O hear us now, Lord, now when we call.
In your pity rescue us.
It is of You, Lord that our hearts speak.
It is You, O Lord, we trust.

O Lord, your presence and your light,
we will seek from day to day.
You are the helper of our lives.
Do not cast us far away.

We believe your bounty we will see
in the land of the living.
We will wait upon You patiently
with the courage You are giving.
