

The Lord Is Our Light And Our Salvation II

Psalm 27

Refrain: The Lord is our light and our salvation. 2x

God is our strength.
Whom shall we fear?
Our lives are held securely.
We are ever in his care.

Refrain

One thing we ask
that all our days
within the temple ever
On God's beauty we might gaze.

Refrain

God's bounty great
is our reward
for those who wait and
watch with courage longing for the Lord.
