

# The Lord Upholds Our Lives

Psalm 54

**Refrain:** The Lord upholds our lives.  
The Lord upholds our lives, our lives.  
The Lord upholds our lives.

Lord, by your name so fair  
deliver us from care.  
Your power lend, our cause defend,  
and listen to our prayer. **Refrain**

The haughty ones now rise  
and try to take our lives.  
They know You not and never sought  
to see You with their eyes. **Refrain**

O God, my helper be.  
Sustain your life in me.  
And I will live and freely give  
my praise and love to thee. **Refrain**
