

The Lord God Will Bless His People With Peace

Psalm 29

Refrain: The Lord will bless his people with peace,
his people with peace.

Praise the Lord people of God; give Him praise and glory.
Give Him glory due His name, dressed in garments holy.

The voice of the Lord is over the waters; over the waters so vast.
Hear His voice so mighty, full of majesty.
The voice of the Lord is mighty, majestic; over the waters so vast.
Hear His voice so mighty, full of majesty

And the God of glory thunders. In His temple all say "glory".
He's enthroned above the waters and the Lord is king forever.
