

The Message Goes Out and About

Psalm 19

Refrain: The message goes out and about to all the world. 2x

The heavens declare God's glory and the firmament proclaims
All the wonders wrought by God's mighty hand. **Refrain**

The day pours out the word to day and the night to night imparts
Knowledge reaching to every longing heart.

There's no word or discourse known
whose voice is not heard.

'Cross the earth resounding to its very ends,
hear the message sounding across the land. **Refrain**

The heavens declare God's glory and the firmament proclaims
All the wonders wrought by God's mighty hand.
