

# The New Nativity

Matthew 2:1-12

Christ within born again, Deity at birth.  
In the cavern of our hearts God's Love returns to earth.

**Refrain:** And those who would his wisdom find  
can see it in our eyes.

And they who search for truth divine  
reflected by some holy sign,  
can trace its light to their own minds,  
where God's great kingdom lies,  
where God's great kingdom lies.

By his second coming then one with God we'll be.  
Each of us becoming then a new nativity. **Refrain**
