

Wake Up, Lord

Wake up, Lord, we have a song for You,
and if You want to sing along You're surely welcome to.

You sang it once Yourself long ago.
It's about what we have found and yet will find.
And it's all about the things
that we have on our minds, O Lord.

Probably You've heard this all before.
We sang it for you last week and again the week before.
But we'd like to sing it all once more.
And before we all begin we'd like to say
thank You for the chance to talk with You this way, O Lord.
