

We Are Your People, the Sheep Of Your Flock

Psalm 100

Refrain: We are your people the sheep of your flock.
The sheep of your flock are we. 2x

Sing a joyful song all you mighty throng
and with gladness your service impart
to the One we trust to encourage us
with the Word bringing peace to our hearts. **Refrain**

You, O Lord, are God. From the earthen sod
You created us. We are your own.
And behind we walk as your gentle flock
to the pastures of grass You have sown. **Refrain**

Worthy are You, Lord, and your kindness toward
all your people forever endures.
And your faithfulness is so limitless.
We in You are forever secure. **Refrain**
