

# We Will Sing of Your Salvation

Psalm 71

**Refrain:** We will sing of your great salvation, Lord.  
We will sing of your salvation, Lord. 2x

For in You, O Lord, we take refuge  
and from shame keep us ever away.  
In your justice, rescue, deliver us.  
O hear us and save us we pray.

Be our rock, O Lord, and our refuge  
Our stronghold of safety to be.  
For You are our rock and our fortress.  
From wicked ones, Lord, Keep us free.

From our youth, O Lord, You have been our hope.  
And forever we'll trust in your name.  
From our birth, O Lord, we depend on you.  
Our strength in You Lord, shall remain.

Our mouths declare your great justice.  
Day by day your salvation shall be.  
From Our Youth, O Lord, you've instructed us.  
We'll tell of your wondrous deeds.
