

# Whisper I My Ear, Lord

By Fran Coast

Whisper in my ear, Lord, things prepared for me.

Whisper in my ear, Lord, the future I can't see.

And when your Spirit speaks, Lord,

I will follow through.

For You are the Lord, your ways too high for me.

And You are the Wise One, your thoughts a mystery.

Gently speak.

Whisper in my ear, Lord, the way I am to go.

Whisper in my ear, Lord, your will I want to know.

And when your Spirit speaks, Lord,

I'll whisper "yes" to You.

For You are my Father, your arms, they hold me tight.

And You are my Counselor, your words, they bring me light.

Gently speak.

Whisper in my ear, Lord, the gifts You have for me.

Whisper in my ear, Lord, my place, my destiny.

And when your Spirit speaks, Lord,

I will follow through.

For You are my Father, your arms, they hold me tight.

And You are my counselor, your words, they they bring me light.

Gently speak.

Whisper to me.
