

# **Your Words, O Lord**

By Tom DeFrange

**Refrain:** Your words, O Lord, they are spirit and life to us.  
Your words, O Lord, they are Spirit and life, spirit and life to us.

O Lord, your laws are perfect, refreshing every soul.  
Your words are to be trusted to make us wise. And so...

## **Refrain**

Your precepts, Lord, are worthy; rejoicing every heart.  
And so our eyes see clearly the truth your words impart.

## **Refrain**

Forever is the love, Lord, that in our hearts we hold.  
For all your ways so just, Lord, as your great plan unfolds.

## **Refrain**

So may our words find favor and may our thoughts be true,  
That we might never waver, trusting, O Lord, in You.
