

Praise Song

Thank You, Lord, for the beautiful hills
and for the sunny day.

Praise You, Lord, for your life giving rain
and for Jesus who showed us the way.

Refrain: Jesus, O what a beautiful sound.
Jesus, it's so good to have Him around, yes it is.
It's so good to have Him around.
It's so good to have Him around.
So won't you praise the Lord with me.
Won't you praise the Lord and see.
We praise You, Lord! We Praise You, Lord!
We praise your Holy Name forevermore!

Thank You, Lord, for the wind that blows
and for the stars that shine.

Praise You, Lord, for the trees that grow
and for the flowers oh so fine. **Refrain**
