

## **My Yoke is Easy**

**Refrain:** My yoke is easy and my burden light.  
And if the cross you bear weighs on you like a stone,  
Pick it up follow me and don't lose sight.  
I never said you had to carry it alone no, no.  
I never said you had to carry it alone.

And if I am a part of you, you must recognize your worth,  
And in the spirit of my love realize a second birth.  
And if you are a part of me in my footsteps you must tread  
And lay aside all guilt and fear as a fellow child of God,  
And lay aside all guilt and fear as a fellow child of God.

### **Refrain**

The kingdom that I promised you is as close as your own breath.  
Its doorway can be entered through even on this side of death.  
Each earthly loss for which you mourn is as empty as the air.  
For once you care by me are borne you can never know despair.  
We'll rise together on the morn as in the Father's light we share.
