

Happenin' Here

Well the Lord came down from heaven
and He took me by the hand
And He led me to the edge of town said,
"This is the promised Land!"

Refrain: O Gotta make it happen,
make it happen where you are!
No time to sit around prayin' from afar.
Pick up the lovin' and throw down the fear
Cause heaven and hell are a-happenin' here!

Well I saw the lightening flashing.
And I heard the thunder roll
The devil stopped right by my house
To see if I was home. **Refrain**

There's an angel in my apple tree
And a prophet on my porch
He just stopped in to visit me
And pass along the torch. **Refrain**
