

# I'm Not Alone

I'm not alone when I said I was lonely.  
There's millions of people who felt just like me.  
Don't be mistaken, my mind was awakened  
to what too much of takin' was makin' me be.

But I'm not forsakin' my ways  
though they're shakin' their heads  
at the way I am trying to be.

And if I happen to walk down a lonely road  
walkin' beside you perhaps we will see  
that two of us can be all lonely together,  
Why not? We've been lonely so long separately.
