

# In God We Trust

By Bob and Debbie Carothers

We have heard with our ears and our fathers have told us  
of his works in the days of old.  
So if legions attack us with god to protect us  
we can be bold.

But we will not trust in our bows  
nor will our swords save us, we know.  
For it's in God we trust so to the dust of the ground  
we will bow down our souls.

There are rumors goin' 'round of the wars that are near  
and the signs of the times are here.  
Even so we know with God on our side, who shall we fear?

Men will gather their forces they will counts the odds.  
They will measure their enemies' guns.  
Their defense is confidence in the power of numbers  
but we know our strength is in One.

And we will not trust in our bows  
nor will our swords save us, we know.  
For it's in God we trust and he will win our battles for us,  
so will bow down our souls.
