

# Give Judgment for Me, Lord

Psalm 43

Give judgment for me, Lord, and defend my cause.  
Against ungodly people come, Lord, deliver me,  
from the deceitful and the wicked ones I pray,  
from the deceitful and the wicked ones, I pray.

You are my source of strength. Tell me why, O Lord,  
You've rejected me and left me wandering in the gloom,  
to be oppressed and scorned by all my enemies,  
to be oppressed and scorn by all my enemies?

**Bridge:** Send out your light and truth to guide my way  
that they may bring me to your holy hill.  
That I may go, O Lord, to your altar fair  
and on the harp give thanks to You, O God,  
my God of endless joy and peace.

My soul, my soul O why are you heavy now?  
Within my heart of hearts you are so disquieted.  
Come put your trust in God who is your help and rock.  
Come put your trust in God who is your help and rock.
