

# He Is With Me

By Fran Coast

He is with me. He is beside me.  
He goes before me as I pray.  
There is no other to be my comforter.  
There is no other to give me peace.  
For yesterday is gone forever.  
New hopes and dreams I have discovered  
While giving place to Jesus as my Lord.

**Refrain:** His love unfailing, His love unending,  
Unconditional, it never dies.  
His love unfailing, O it's unending  
Unconditional, it never dies.

He is with me. He is beside me.  
He goes before me as I praise.  
There is no other to fill the empty space.  
There is no other to give me peace.  
O yesterday is gone forever.  
New hopes and dreams I have discovered,  
while giving place to Jesus as my Lord. **Refrain**
