

In the Cool of the Day

Genesis 3:8

In the beginning was Eden, a garden for Adam to enjoy.

He walked with the Lord in the cool of the morn
after hearing this heavenly voice.

“Adam” it’s the cool of the day let us walk together,
laughing and sharing in a familiar way,
side by side through the path of life.
It’s our time. It’s the cool of the day.

Now Adam was blessed in this garden
with Eve and many fruitful trees.

One tree brought life and another brought death.

It was this one from which they did eat.

“Adam, it’s the cool of the day.

Why aren’t we walking together?”

Laughing and sharing in a familiar way,
side by side through the path of life.

It was our time in the cool of the day.

But God in his love made provisions
through Jesus the sacrificed lamb.

He cleansed Adam’s sin now we’re walking with Him
restored in His presence again.

Now we are the children of Adam.

The choosing is still under way.

There’s the tree of the world and the tree of the Word.

Now which one will you choose today?

“Child” it’s the cool of the day let us walk together,
laughing and sharing in a familiar way
side by side through the path of life.
It’s our time. It’s the cool of the day.

It’s the cool of the day let us walk together,
laughing and sharing in a familiar way,
side by side through the path of life.
It’s our time. It’s the cool of the day.

It's our time. It's the cool of the day.
