

In You O Lord I have Found Peace.

Psalm 131

Refrain: In You, O Lord, I have found peace.
In You, O Lord, I have found peace.

Nor is my heart haughty with pride.
I am not busy with things too sublime.
I guard my time. **Refrain**

Like a weaned child my heart is still.
As on the lap of my mother I will
rest peacefully. **Refrain**

O Israel wait on your Lord.
Now and forever sweet peace he will bring.
Worship your King.

Refrain: In You, O Lord, I have found peace.
In You, O Lord, I have found peace.
In You, O Lord, I have found peace.
I have found peace.
I have found peace.
