

# I Will Dwell

Psalm 91

I will dwell, I will dwell in the secret place most high.  
I will look, I will look upon your face.  
I will stay, I will stay 'neath the shadow of your wings.  
I will sit, I will sit at your feet.

I say rock, I say fortress, I say strength in time of need.  
I say shield and my protector, I speak angels over me.  
I say peace, I say deliverance. I say truth, you honor me.  
I say long life, I say salvation as your love pours over me.

I will dwell, I will dwell in the secret place most high.  
I will look, I will look upon your face.  
I will stay, I will stay 'neath the shadow of your wings.  
I will sit, I will sit at your feet.

Yes, I will sit, I will sit at your feet.
