

Jesus Is the Bridegroom

Ephesians 5:25-27

Jesus is the bridegroom and his church is the bride,
a people united we stand at his side,
bound by the vows of redemption we share,
beloved we shall ever be, secure in his care.

Joined in the struggle the loss and the gain,
partners forever through pleasure and pain.
Growing in wisdom we learn as we go
to trust in the love of the Lover of souls.

Sitting at his table a banquet we share,
a feast for his fam'ly, the Lord has prepared.
Life giving food for the hungry of heart,
He's given us, forgiven us and never to part.

So to the door He has taken his wife
to carry her through the great threshold of life
into the warmth of his heavenly home
where we as his church will inherit his throne.

Who of us is worthy to share in this feast,
partake in the glory that never will cease?
Grateful the bride for the groom of her heart.
Eternally we'll ever be and never to part.
