

## On and On

*Sung to the tune of "My Heart Will Go On"*

Lyrics adaptation by Tom DeFrance

Gathered in our singing, we're bringing our lives, Lord  
To your feet. O bless us, each one.  
Sharing in the history, the mystery, we strive, Lord,  
To be worthy daughters and sons.  
Guided by your inner light,  
inner sight to the realms of your kingdom.  
Learning and turning toward you,  
ever true to your story, your glory goes on and on.

Lord, your love can win us, within us, your Spirit  
keeps us sure and steady and strong.  
Gathered in its keeping we're seeking to hear it  
while its message carries us on.  
Glory and power the gift  
that can lift us above earthly troubles.  
Your light, O Lord is our might  
Bringing strength to our living,  
Your giving goes on and on.

Glory and power the gift  
that can lift us above earthly troubles.  
Your light, O Lord is our might  
bringing strength to our living,  
your giving goes on and on.
