

DON'T DIE UNTIL YOU'RE DEAD

Marilyn DeFrange

Why you so darn serious
An old man asked of me.
You could laugh a little more.
Let yourself be free.
It ain't rocket science.
Just get out of your head
All you need to know right now, don't die until you're dead

Don't die, don't die,
don't die, no don't die until you're dead.

Why you always holding out
For another time.
Waiting for the weekend
Or for the sun to shine
Give us what you're all about
Get it off your chest
All you need to know right now, don't die until you're dead.

Don't die, don't die,
don't die, no don't die until you're dead.

Go get your silver lining.
Go find your happy place.
Keep on clicking those ruby slippers
Until you get on home to stay.

Old man hit 100,
Then he passed away.
When the medics turned his head
A smile was on his face.
Moral of the story,
Always do your best.
Live your life with all you've got, don't die until you're dead.

Don't die, don't die,
don't die, no don't die until you're dead.
Keep on living 'til,
No don't die until you're dead.
